PROFILE

I am a MCA final year Student at (SISTER NIVEDITA UNIVERSITY). I have completed my graduation from UTKAL UNIVERSITY at Bhubaneswar as B.SC COMPUTER SCIENCE (Hons). Now i am learning Full-Stack web development as my future career. I will try my best as develop my creativity and productivity in web development for my bright career.

PROJECTS

E-learning Platform :-

<https://github.com/ADITYAPRASADSAHOOS1200/e-Learning-Platform>

_Develop a comprehensive online learning platform with three user types (Student, Teacher, Admin), featuring course creation, approval process, and live video conferencing.

ECOMMERCE WEBSITE:-

funny-marigold-81ea0f.netlify.app/

I have made this project with react js and redux tailwind css. It provides a predictable state container that centralizes the state of an application and allows for predictable state mutations through actions.

• Adaptability and Eagerness to Learn:

As a recent graduate, I bring a fresh perspective and a strong willingness to learn and adapt. I am excited about staying abreast of emerging technologies and methodologies in web development to contribute effectively to projects.

- **Conclusion:** i am excited about the opportunity to contribute my skills and passion for web development to a forward-thinking team. Eager to take on new challenges, I am confident in my ability to make meaningful contributions from day one.

thank you for considering my application. I look forward to the possibility of discussing how my skills align with your team's objectives.
